

Summer 2024

Dear Reach Student,

I am delighted, on behalf of the Reach Cambridge team, to welcome you to our international study program, and to provide you with the opportunity to experience the historic University City of Cambridge. This year is the 20th anniversary of running programs and we hope it will be our best summer yet!

The Reach Cambridge team is entirely committed to offering you the experience to shape a lifetime within a safe, positive and inspiring environment. Myself, the rest of the senior team, our teachers and our supervisors, are all here to answer any questions you may have, and to enhance your opportunity to make the most of your visit to the UK.

Our objective is to broaden your education and widen your horizons. We will provide plenty of opportunity to study, learn, play and enjoy. There will be some house rules, and there will be plenty of space in which to express your individuality and personality. By selecting Reach Cambridge, you have chosen the platform from which to launch the rest of your education and career, and it is our privilege to share this time with you.

We hope you will enjoy your time with us, and we look forward to meeting you very soon!

Yours sincerely,

Jenny Evans
