RE: Studying on Reach Cambridge Summer 2024

I can confirm that this young person has been accepted onto the Reach Cambridge 2024 study program in Cambridge. The student will be in the care of Reach Cambridge for the period of their program and accommodation will be provided for the entire period in the Halls of Cambridge University. Reach Cambridge Ltd has received the full program fee.

Reach Cambridge is accredited by the British Accreditation Council (BAC), which is an accreditation body approved by the UKVI (United Kingdom Visas and Immigration Service). Reach Cambridge specialises in educational tour packages for young people aged 13-18.

This young person has been accepted on the program and has travelled to the UK in order to attend our Reach Cambridge summer school, based in the colleges of Cambridge University. Our 2024 summer programs period is 30th June – 10th August 2024. I can confirm that this young person is in Cambridge during the summer of 2024 as a student of Reach Cambridge.

They will take part in the Reach Cambridge summer school courses, which have been running programs in Cambridge since 2005 and offers a fascinating insight into the study of different subjects at university. The main objective of the courses is to broaden our students' understanding of the subjects they study at school and widen their horizons. The courses supplement High School study by looking at a range of subjects being tackled by university students and graduates. Our lecturers aim to pass on the passion for their subjects that has driven them to succeed in their field. More information can be found at www.reachcambridge.com.
